เรื่อง The Program on Occupational Safety and Health Management and Work Environment Improvement [ERWM]

คุณสมบัติผู้สมัครสอบ

(1) Junior to middle managers, middle-level staff members or specialists who have responsibility for OSH management in Employers' Organizations or their member companies and are likely to become future leaders of Employers' Organizations or their member companies.

**Middle managers such as managers, section managers or section chiefs are preferable (not beyond these positions).*

(2) Persons who are not over the age of 55 and not younger than 25 on the first day of the seminar.

**It is strongly advised that applicants' ages fall within the range of 25 and 55 in order to maximize the outcome, i.e. dissemination of the result of the seminar and benefit at most from their participation in the seminar. Applicants who are under 25 or over 55 may not be eligible even if other requirements are satisfied.*

(3) Persons who graduated from either a four-year college or university course, or have an equivalent educational background.

(4) Persons who have a good command of both written and spoken English.

**If a candidate was not educated in English, a document which proves his/her English proficiency, e.g., official TOEFL or TOEIC score, should be attached.*

(5) Persons who are recommended by both Employers' Organization and their employer.

(6) Persons who are able to fully complete the seminar and to carry out two tasks.

(a) To make a presentation on their 'Action Plan' on the final day of the seminar and to send an 'Action Plan Implementation Report' to AOTS by Tuesday, March 30, 2021.

(b) To send the 'Evaluation Sheet for the Participant's Organization' to AOTS upon their return home.

(7) Persons who are able to apply the lessons of the seminar in their daily working environment and to disseminate the learning experiences and knowledge acquired from the seminar with the cooperation of Employers' Organization.

(8) Persons who are physically and mentally able to attend the seminar.

(9) Persons should not be full-time students or military personnel.

(10) Persons who have not attended Employers' Organization Cooperation Program previously in Japan over the past five years. However, the participants of EREO seminar which was held in FY2018 are eligible to apply for seminars from FY2020.

(11) Persons who can attend all online lectures and discussions during the seminar period. Equipment such as a personal computer, a microphone, a webcam and internet connection to attend the online lectures should be prepared by themselves. Basically, the online lectures are supposed to be held from 15:00 to 17:00 in Japan Standard Time. Assignment may be given after each session. For those in countries where there are difficulties taking live lectures because of the time difference, they are required to view a video stream of those lectures excluding sessions of presentation by participant
